2. **The above matrix is only a recommendation.** The Missouri POST Program allows the law enforcement officer and the agency he/she is commissioned with to determine in what core area the training hours should be awarded in. This is based on the content of the course and usually can be obtained by reviewing the agenda, synopsis, etc. of the course by the law enforcement officer and the CEO of the commissioning agency.

3. Additional details may be requested from the MCTC Registrars Office by email at info@counterdrugtraining.com or by commercial phone at (515) 252-4756.
