

MIDWEST COUNTERDRUG TRAINING CENTER

Mission Statement

MCTC's mission is to provide the highest quality training at the lowest possible cost to all those involved in the fight against drug trafficking and substance abuse.

- ★ Experienced and highly sought-after instructors
- ★ The highest quality of training
- ★ Tuition free instruction

Overview of MCTC

The Midwest Counterdrug Training Center is one of five Department of Defense funded, National Guard administered Counterdrug training schools. Funded through the Department of Defense and administered by the Iowa National Guard, the Midwest Counterdrug Training Center began operations in January 2003. To date, we have trained over 140,000 local, state, and federal law enforcement officers, prevention and treatment professionals, as well as military students throughout the United States. All courses are tuition free and taught by highly-regarded professionals and reputed experts in their fields.

Attending MCTC Courses

MCTC offers courses year-round on Camp Dodge JMTC, Johnston, IA. Mobile training is also available for most MCTC Courses - bringing training directly to where it is most needed. Full course descriptions, eligibility, prerequisites, and registration can be found online at www.counterdrugtraining.com. Please contact the Director of Training for any additional or offsite training requests.
